

Fighting Wanderers Jolt Tooting

A FIGHTING display by a 'new look' line-up, and two fine goals by right-winger Len Worley — one a few minutes before the end — earned Wycombe Wanderers another valuable Isthmian League point on Wednesday, when they drew 2-2 with Tooting and Mitcham at Tooting.

With Lewis, Fisher and Bates out, Wycombe had to do some shuffling, bringing in three youngsters.

John Birch was at right-back, George Pullin was moved to centre-half and two youngsters, Arthur Caughlin and Tony Thompson came in at inside forward. None of them let the side down and Pullin and Thompson had particularly good games.

But this was Len Worley's night. He jolted the frustrated Tooting full-back Bambridge a

merry dance and scored two goals with a terrific show of power shooting.

After four minutes, against the run of play, international Roy Agar headed a good goal.

Straight from the kick-off Wycombe hit back. Thompson pushed the ball to Holmes, who waited and then squared it across goal for Worley to score.

TOOTING AGAIN

Tooting came into it a little more and 20 minutes later Grainger scored their second.

Wycombe began the second half full of fight and Holmes and Worley kept their line moving well, with Thomas, Gale and Beck supporting strongly.

Then, when it looked like a Tooting win, Worley ran onto a good pass and smashed it onto the underside of the bar. The linesman signalled a goal but to make sure Holmes headed the rebound back into the net, for a well-deserved equaliser.
